Matters Arising

There were no matters arising from the Minutes

Treasurer's Report

The accounts were presented to the attendees and approved. The balance was unchanged due to not running the league tournament in 2017-18, and not collecting any club affiliation fees.

Match Secretary's Report

There were four match results outstanding at the end of the season, which will remain incomplete because of details having been lost by the relevant teams, however this was not consequential to determining the divisional winners. The league match secretary will endeavour to help remind team captains of any pending results to help ensure that they are entered before the scorecard can be lost

Proposals

There were no proposals put forward prior to the AGM

Election of Officers

The existing committee all agreed to continue in their roles. There were no additional applicants for committee posts

The new committee will be:

Chairman:	James Leach
Treasurer:	Keith Parry
Secretary:	James Press
Match Secretary:	James Press
Tournament Secretary:	Carol Ashridge

Any Other Business

Two further items were discussed:

- There was a request for AGM and fixtures meeting to be held earlier in the year. Several clubs mentioned that they want to be able to get their seasons started earlier, and that players want to know fixture dates sooner.
It was agreed that the next AGM and Fixtures meeting will be held in the first half of August
- Carol Ashcroft shared some thoughts on recent changes to Badminton England's insurance policies, specifically regarding how she believed that many players and clubs were unaware of the different levels of insurance and their associated levels of cover. Carol agreed to share some documentation with the league committee, to be distributed among the other clubs

The AGM closed at 9:10pm
